WEEK 11 - STEWARDSHIP

The Big Lie - The pursuit of happiness begins with my things!

Having more is not what matters. What matters is what you do with the things you have.

For the believer, a transaction occurs – You are not your own; you were bought at a price. (1 Corinthians 6:19-20)

I believe everything I am, and everything I have belong to God.

You will recognize you are not an owner, but a steward.

You will manage what has been given to you.

(Matthew 25:14-30)
