## CHURCH BEING REKEYED & NEW KEY POLICY

Our Risk Management Team will be in the process of rekeying Covenant in the next few weeks. This process will start on January 22 and all exterior doors will be rekeyed. We are doing this rekeying for the safety and security of all persons at Covenant. If you have a key, it will not open doors when rekeying begins. Keys will be issued on a limited basis as our Risk Management Team has written a Key Policy. This policy has been approved by our Board of Trustees.
